Kalogerolimano

About

Kalogerolimano lies on the south-eastern coast of Corinthia, in the Korfos area. It is a natural **harbour**, sheltered from the wind.

What to expect

A quiet cove with clear water and pine woods around it, with no tourist development. It is popular with sailors for the natural protection it offers.

For the visitor arriving by land, it is a beach that rewards the drive.

Practical notes

- Reached from Korfos; the road narrows in places.
- Unorganised — bring everything you need.
- Best avoided on August weekends.
