Loutro Beach (Dasyllio)

About

Dasyllio at Loutro is a natural cove of pebbles and very clear water, set apart by the small pine wood facing it.

What to expect

A roomy, quiet shore that locals are fond of, even though there is a café right beside it.

Access

There is no proper car park — you pull in on the lane beside the wood. A bus stops right there. The way down is by steps, so it is **not suitable for a wheelchair**.
