Corinthia in summer

About

In summer Corinthia comes alive: blue beaches on the Corinthian Gulf, cool mountains, festivals and, of course, Nemea's wine.

The sea

From Kiato and Vrachati to Xylokastro, the coast offers both organised and quiet beaches for every taste.

Cool in the mountains

When it gets hot, the mountain villages, Lake Doxa and the Pefkias pine forest offer relief.

Flavours & wine

Summer evenings with fresh fish by the water and visits to the wineries of Nemea.

Nearby: food & where to stay

Try Corner grill & burger in Kiato and To Polychoro in Trikala.
