Agioi Theodoroi Beach

About

Agioi Theodoroi lies at the eastern edge of Corinthia, where the region meets Attica. Its beach is among the easiest to reach for anyone coming from Athens.

What you will find

A long shore with tavernas and cafes, organised sections and easy parking. It is a classic day-trip destination, especially at weekends.

A little further west begins the **Kalamaki** and Canal zone, so the beach combines easily with a visit to the Isthmus.

Practical notes

- At the eastern edge of the region, with direct motorway access.
- It fills up on summer weekends.
- Combine it with the Canal and Isthmia.

Useful information

Best time to visit	April–June & September–October (mild, uncrowded)
