CORINTHIA

Villages & settlements of Corinthia

About

Corinthia is far more than its coastline. From the seaside villages of the Vocha plain to the mountain settlements of Ziria and Stymphalia, the region holds dozens of villages — some with a few dozen inhabitants, others with centuries of history.

Below you will find **everything we have recorded**. Those with a page of their own are underlined and lead there; for the rest, their position on the map is given.
