Agios Dimitrios

About

Agios Dimitrios is a small lowland settlement 6 km south-east of Corinth.

What to expect

The settlement lies on the flat land north of the Oneia hills, between Kechries and Examilia, at around 120 metres above sea level. The 2021 census recorded 83 permanent residents. To the east stands the church of Agios Dimitrios, built in 1954, which gives the place its name. The beach at Kechries is about 2 km away.
