About

Mikros Valtos lies 27 km west of Corinth, roughly 6.4 km from Xylokastro.

What to expect

A hill village of the Municipality of Sikyonia at about 510 metres, in green country with pines, old plane trees and plenty of springs. Residents grow vines, apricots, pears, olives and lemons. The church of Agios Dimitrios, a cross-shaped basilica begun in 1898 with an ornate plaster templon and a carved wooden ceiling, is worth a stop.
