Frangolimano

About

Frangolimano lies on the Saronic Gulf coast, 19.4 km south-east of Corinth, roughly 19 km from Loutraki.

What to expect

An almost uninhabited settlement and beach of the Sofiko community, about 12 km north-east of Sofiko. The beach is pebbly, with two coves, calm clear water and trees that reach almost to the sea, giving natural shade. The asphalt road runs right down to the beach, and a walking route leads from here towards Arakoukia.
