Sterna Beach

About

Sterna is a small natural cove on the Perachora peninsula, north of Loutraki.

What to expect

A secluded, quiet shore with nothing built on it — no sunbeds, no canteen. Whatever you need, you bring with you.

Getting there

Drive past Perachora and follow the road towards Sterna. The final stretch, under a kilometre, is a dirt track — but an ordinary car will manage it.

Useful information

Best time to visit	April–June & September–October (mild, uncrowded)
