Palaio Kalamaki Beach

About

Palaio Kalamaki sits on the Isthmus of Corinth, just south of where the canal opens into the Saronic Gulf at Isthmia.

What to expect

A very small settlement — seventeen residents at the 2021 census — with a shore on the Saronic and the quiet that its size explains.

Getting there

Eleven kilometres from Corinth and the same distance south of Loutraki. The Isthmus–Ancient Epidaurus road runs through it.

Useful information

Best time to visit	April–June & September–October (mild, uncrowded)
