Froutoplanites — Indoor Playground & Café, Kiato

About

A fruity play city for our youngest friends. A fruity world for children and grown-ups alike.

Froutoplanites is an indoor playground and café in the centre of Kiato, at 1B Miaouli Street. Children play in an enclosed, supervised space while the grown-ups sit right next to them over a coffee — whether for an afternoon out after school or for a birthday party.

What to expect

- Indoor play area, open through the winter as well.
- Coffee and drinks for parents, in the same room as the children.
- Space for children's parties and birthdays, by arrangement.
- Central Kiato, an easy walk from the market street.

For a table, a party or any question, call +30 2742 028832. Hours can change around holidays and school breaks, so a quick phone call before you set off is always a good idea.
