CORINTHIA

Places for kids and families in Corinthia

About

With children, a good day out is one that does not wear everyone out: little driving, safe access, something to see and somewhere to eat. In this list you will find places in Corinthia that our guide marks as suitable for families. Most are beaches with easy access, calm or shallow water and a café or taverna nearby, such as Vrachati, Sykia, Derveni and Loutraki. There are also two outings for days that are not beach days: the Melagkavi lighthouse, with Lake Vouliagmeni and a view over the gulf, and Penteskoufi castle above Ancient Corinth. Each page shows distances, a map and what is around, so you can combine two stops in the same day. For food with children, see also the list of family-friendly places in Kiato.
