Kyknos in Xylokastro: a grill house with gyros, souvlaki and delivery since 1991

About

On I. Ioannou Street 64, in the centre of Xylokastro, **Kyknos** is a grill house with a history going back to 1991: gyros, souvlaki, kebab and burgers, cooked as you order.

The business in this article is a Visit Corinthia partner. We describe it using what it says about its own work; hours and details may change, so check its page before you go.

A family story since 1991

In their own words, grandfather Sotiris and grandmother Soula opened the "Kyknos" grill on the Xylokastro seafront in 1991. Today the family carries on in the fully renovated space on I. Ioannou Street, with the same aim: to send everyone home satisfied.

What to eat

The menu includes **pita wraps** with pork or chicken gyros, souvlaki, kebab, burger patty, sausage, halloumi and a veggie option, plus plain grilled meats for those who want just the meat. There are also **full plates**, a "skepasti", burgers, club sandwiches and sandwiches, with the option to build your own from ingredients you choose. Salads, soft drinks, beer and wine go alongside.
