Sofiadis Plumbing in Kiato: from repairs to water networks and fire protection

About

In Kiato, with an office at 2 Solonos Street, **Sofiadis** takes on plumbing installations for homes, businesses, industrial buildings and public projects — from a single repair to an entire network.

The business in this article is a Visit Corinthia partner. We describe it using what it says about its own work; hours and details may change, so check its page before you go.

For homes and businesses

- Plumbing installations and repairs
- Bathroom renovations
- Heating: radiators and heat pumps
- Solar water heaters
- Natural gas
- Drainage and septic system connections

Networks and large projects

The company builds water supply and irrigation networks, with welding and electrofusion joints, and designs and installs fire protection systems for industrial and public buildings.
